Dear Parents and Carers,

We would like to take this opportunity to wish you all a very Merry Christmas. This has been a wonderful term for Barcombe and everyone deserves a well-earned Christmas break. Thank you for all your support for our many Christmas activities over the last couple of weeks.

KSI Nativity

Key Stage 1 entertained us all with their performance of Christmas with the Aliens. It was wonderful to see all the children participating so confidently in their roles and equally wonderful to see such a large audience enjoying watching them.

Christmas Concert

Owls Class held their Christmas Concert at the Village Hall last week. This was another fantastic celebration of Christmas with singing by the whole class and the first performance by our very own school band of violin, recorder, cellos and guitars.

After-School Care

After the holidays we will be sending out information about possible after-school care based in school and seeking your opinions on this. Please look out for that letter and respond to it so we can work towards providing what is needed for our school families.

Tree Physical

After Christmas, our Year 5 pupils will be starting a series of lessons leading towards the John Muir Award for each pupil. The tag line for this award is 'Wild Places: discover, explore, conserve, create'. It sounds very exciting and we look forward to sharing the children's experiences with you.

Values for Life

As you know, we focus our assemblies on a different value each term. So far this year we have focussed on Peace and Trust. After Christmas, our focus will be on Courage.

MyMaths Parents' Meeting

Many of the children are really getting to grips with their MyMaths homework tasks now. We have celebrated the efforts of those children who are up-to-date with all their tasks by presenting them each with a certificate. We would like to invite you to a parents' meeting on Monday January 8th at 3.15pm in Owls classroom. At the meeting, you will be able to explore MyMaths and see how some of the children are using it and will be able to ask any questions. Your children are very welcome to come along to the meeting too so you can explore the website together.

Quentin Blake

The children recently worked with Mrs Edwards to create a birthday card for Quentin Blake, the illustrator who has drawn the pictures for many children's books. We were

delighted to receive our very own handmade Christmas card from him signed to everyone at Barcombe School!

PE kits

Please make sure your child's correct PE kit is in school every day (white t-shirt and black shorts). Some form of physical activity takes place every day. PE lessons may take place outdoors so jogging bottoms are a good option for those lessons. PE kits will have been sent home for washing over Christmas so please make sure they are sent back right at the beginning of term.

Attendance

Last week's attendance figures for the classes are as follows:

Hedgehogs	93.6%
Squirrels	92%
Badgers	96.9%
Foxes	92.5%
Owls	92.1%

Well done, Badgers! Let's hope that everyone comes back to school healthy after the Christmas break and that our attendance figures start to look healthier once again.

Nut-Free School

Please remember that Barcombe is a nut-free school. We have several pupils with severe nut allergies to different types of nuts. To keep all our children safe, please ensure that no nuts of any kind are in your child's morning snack or packed lunch.

Dates for your diary

Please note these dates are not exhaustive and can be subject to change.

Dates for Term 1 and Term 2 2017 - 2018	
December 2017	
Wednesday 20 th	Last day of term
