Wednesday 16th July 2014

Dear Parents / Carers

Sports Day

Thank you to everyone who was able to come and support the children at our Sports Day yesterday. I hope the children enjoyed themselves as they clearly demonstrated some wonderful team spirit. I would like to congratulate the Red team for winning sports day, although it was extremely close between the top two teams!

New Class Change Over

On Monday 21st July (from 1.30-2.30pm) the children will be spending time in their new classes with their new teachers. We remain committed to offering our children the very best teaching and learning opportunities possible, and we are committed to personalising their learning.

Reports

Today the children are bringing home their annual school report. The report provides you with a commentary and assessment information about your child's progress this year. Reports for children in Reception will include information about their progress through the Foundation Stage Profile. Reports for children in Year One will include information about their progress with the National Phonics Screening Check, which took place in June. Reports for children in Year Two will include information regarding their end of Key Stage One assessments. If your child is in Year Six their report will include assessment data regarding their progress at the end of Key Stage Two.

If you wish to discuss your child's report you are welcome to make an appointment with your child's Class Teacher. It is important that you discuss any questions or queries with the Class Teacher; as the author of the report they are in the best position to address any concerns.

SATs Success

This year the children in Year 6 have achieved incredible success in the SATs tests. Everyone at school is extremely proud of them and would like to congratulate and celebrate this. Well done Year 6!

Mr S James
Head Teacher
