Wednesday 30<sup>th</sup> September 2020

Dear Parents and Carers,

### **Google Classroom**

At Barcombe School, we have been working hard to ensure that our pupils and staff are always safe on site. We are also mindful that we may still be required to offer remote learning with little or no notice if we find ourselves subject to a localised or national lockdown.

As you should already be aware, as per our letter last week, we have been working hard on preparing our remote learning using Google Classroom. The children have been given opportunities to login during school time and have been completing tasks using the platform.

Starting Friday 2<sup>nd</sup> October, homework will be set using Google Classrooms. This will allow children, parents and staff additional opportunities to practise using the platform. The government requires us to ensure that any children not attending school because they are self-isolating have access to learning that they can complete at home. Google Classroom provides us with the facility to do this too.

Your child's login details will have already been provided or will be given out with this letter. If you do not receive your log in details, please contact the school office and they will be able to provide them for you.

Thank you for your ongoing support,

Ruth Force  
Head of School
